- **Lloyd Ward** - formerly: CEO and Secretary General of the United States Olympic Committee, Chairman and CEO of a Fortune 500 Company (Maytag Corporation), Division President Frito-Lay and Vice President of Operations Pepsi-Co., CEO of ABE, LLC
- **Richard Packer** - Past President and COO of the professional American Basketball Association, 25 years of CEO/Executive management experience for profit and non-profit corporations, successful college basketball coaching, Founding Partner and President Basketball Operations ABE, LLC.

ABE provides this opportunity with the intent that participating international teams and leagues (maximum of five) have the opportunity to train and compete in the US and gain valuable preparation and evaluation time towards the 2018-19 pro season.

The Combine features instructional sessions for players, as well as coaching staffs, team individual practice sessions and a competitive round robin playing schedule.

Some of the particular advantages the Combine offers are: (1) an occasion for multiple league teams to combine a single roster of players and (2) the unique opportunity for individual leagues to send its younger “rising stars” and coaches for extensive instruction and preparation in advance of the 2018-19 professional season.

- Sightseeing Opportunities

General Information

American Basketball Enterprises, LLC, (ABE) offers worldwide professional basketball teams and leagues the opportunity to train and compete in its 3 week Combine during the summer of 2018.

The Combine will include daily elite instruction and training sessions from well-known US basketball coaches and personalities. Sessions cover individual play, by position, and team offensive and defensive concepts.

Players and coaching staff train by day and play a highly competitive game schedule in the evening in round robin format. Teams play a schedule of 10 games in 21 days, including a team of champions tournament.

Teams will have the opportunity to visit and shop the exciting cities of New York, Philadelphia or Washington, DC, during their stay.

Combine space is limited to 5 international teams, plus a select pro team of invited ABE USA players. Typical daily itineraries are outlined on the website.

Team accommodations allow for 16 participating individuals. Each team will be provided 6 rooms double occupancy and 4 rooms single occupancy during their stay. Buffet-style breakfasts, lunches and dinners are included.
